Bludenz, February 1st 2021

Dear partners,

we are pleased to inform you that Dr. Gerhard Anger will strengthen the management of Alu-met GmbH starting February 1st, 2021.

Dr. Gerhard Anger has been working in the aluminium industry for over 30 years. The professional career stages include various positions at AMAG and Novelis Europe, top management positions at Alu-Menziken, Assan Aluminium and most recently at Neuman Aluminium in Austria.

Dr. Anger, together with the current managing director Dr. Müller will take over the management of Alu-met GmbH and in particular the operational tasks.

With this step, the continuity within the business relations of Alu-met GmbH is emphatically ensured.

Best regards

Dr. Frank Müller
